 - a) Thank you all for attending this Month's Committee Meeting. We had a very well received and very successful Softball event, this would not have been possible without all the efforts and support of all of you that were able to attend and dedicate your time and assistance in spreading the word of this event amongst the fellowship. At this time I believe the next few months should be dedicated to showing up and attending the events this fellowship has in-store over the next few months. We have received support and now it is our turn to give back. I would not want the fellowship to perceive us as always asking or taking, We will be speaking of 63rd ICYPAA International Conference (9/1-9/4) and CRUZYPAA ACYPAA Summit (10/6-10/8), Intergroup Dog Show, & GSR Fall Inventory Assembly . Locally there are many Bday meetings to come for both Monterey and Salinas that our presence has been lacking. We have a few items we are needing to discuss that will help us shape a preregistration.
