  - a) Thank you all for your attendance and participation. I have included the Logo contest submissions for your review and vote for this month. There are a few topics that I would like to mention that have come up in this past month that I would like to draw attention to and what it has meant to me in regards to what we have ahead of us as a committee and the planning of MBAR 2024. These examples (lessons if you will) have come up through conversations with those in our fellowship as well as the outcomes of recent decision that had to be made by of lack of interest/attendance
  - b) Tradition 4 "Each group should be autonomous except in matters affecting other groups or A.A. as a whole." , recently the Intergroup event Deserts and Dancing was canceled as they lacked a draw of participation and planning with lack of volunteers, where this plays no literal part in MBAR 2024, please keep in mind the spiritual principles of this tradition where support of local AA events will in turn create support of MBAR 2024. I am very aware individuals have responsibilities and commitments to family, careers, and prior planned life items, but we all know people in the fellowship that we can have represent us or are needing to exercise fellowship. Most importantly to the newcomer that has never had a chance to experience sober fun please help spark interest and enthusiasm to showing up to these events for assistance in planning/volunteering or the event itself. My call to you and your sponsors-sponsees or sober friends is that we have a potential to affect our local AA as a whole in a negative fashion if we are solely limited to just MBAR events. In turn our support leant as MBAR 2024 participants will give 10 fold with support to our events. It will also in turn grow our committee participation and excitement that we should all have as sober members of Alcoholics Anonymous.

- c) Tradition 7 "every AA Group ought to be fully self-supporting, declining outside contributions." As we roll into discussion of the Softball Fundraiser please let us keep this in mind... I have some exciting info in regards to our updates. We have some roles and responsibilities for Unity Day and Softball Fundraiser we need to have assistance with.
- d) Once again I just want to emphasize the work and efforts we make to allow for the Newcomer to have an experience that will outweigh the thought of a drink and be encouraged to take on the suggestions we have to offer as they result in a happy and joyful life. We create a safe space that allows the love and joy we show will translate to attraction rather than promotion
