 - a) Thanks for your attendance! As a reminder please be sure that any topics wanting to be added to the agenda can be submitted to me at: mbarchair2024@gmail.com. There are quite a few fellowship events gearing up and it is very important we have a presence and attend to be able to receive the same support from our fellowship. I have included on the agenda a portion of this meeting dedicated to communicating those happenings. A large portion of this month's meeting is dedicated to having the pre-registration shaped to be available. As a reminder to stay within budget and keep costs of registration in line with what we are offering, the ability to continue in a few more fundraising events may be necessary. As a committee we need to be sure we work as a team, are actively involved, and present to have the proper excitement. Don't miss this experience!! Please be sure to get those you know involved as well; many hands make light work!
