 - a) Thank you all for your attendance and participation. I have included the Logo contest submissions for your review and vote for next month. It is quite heartwarming and inspiring to see the creativity and excitement of our members that translates as their love for AA. The excitement we have been able to create as a committee will be the driving force that continues to allow for participation in fundraisers to come and ultimately the attendance in our upcoming MBAR 2024. As we roll into the planning for our next Fundraiser an Events Chair will be the next position we will need filled to assist with the orchestration of fundraising tasks and the planning of extracurricular events during MBAR 2024 to keep members engaged in fun and fellowship leading up to and during MBAR 2024. Please keep your ideas flowing and continue to spread the word of our need for assistance and participation. I look forward to the continuation of success in the goals and intentions we will be working towards together to achieve. [11:10]
